

Center for Autism and Early Childhood Mental Health at Montclair State University

Our Credo

This is a place

✓ Where all belong and are welcome,

✓ Where who YOU are matters,

✓ Where your individual differences ARE important,

✓ Where we will be interested, respectful and caring,

✓ Where your conflicts and struggles can be shared in safety,

✓ Where autism, and mental health concerns, and developmental concerns, and learning difficulties, and emotional concerns, and "behavioral" concerns are not seen as separate from each other,

✓ Where we honor and promote your potential,

✓ Where fun, joy and humor can live,

✓ Where we celebrate human development,

✓ In family and community,

✓ With dignity and peace.
